## EDITORIAL

**S**o here we are, coming up to April and the frivolity of Easter. Yes, that's right folks, those with children prepare yourselves to endure, fluffy yellow chicks, mountains of chocolate and creepy giant bunnies. Of course, you could always have your own fun by creating the ultimate egg hunt. One where possibly the participants disappear for many hours, days in fact if you're really smart, while you join other hapless parents down the pub for a well-earned and undisturbed pint. But until then I suggest you get stuck into Amber, Becky, Jasmine and Brookie, who will more than butter your hot-cross buns.

**D**ear Club,  
This summer my boyfriend Gavin and I went on holiday to Ibiza. Most days we'd get up late. Then once we'd snacked we'd head to the beach. After a couple of days Gavin, who is crap about using sunscreen, got sunburned and decided to give the beach a miss. So while I was lying in the sun he said he would just hang in the apartment complex.

I was fine with that. I had brought some magazines, and selfish as it may seem I was looking forward to going on the beach alone and having a bit of a flirt. I'm not really big-headed or anything, but I have a slim figure, well toned legs and a pair of perky C-cup puppies.

It wasn't long before I had several offers from fit-looking blokes to rub sunscreen on my back so I choose the sexiest guy, stretched out and enjoyed being pampered. His name was Rob and when his fingers crept a little too far south while he was putting the cream on I said nothing and allowed him to touch me up. Later when I got up to leave he was disappointed to learn I was on holiday with my boyfriend, but I promised him a dance later if we met up at the club that night.

Strolling back to the apartment I caught sight of Gavin parked in one of the beach-front disco bars. I was not amused to see that he was already fairly drunk. We went back to the apartment to change and eat before going out, and I could not help bitching at him for spoiling the evening, not least because I'd

become seriously horny from the illicit frigging Rob had given me at the beach.

Gavin promised to slow his drinking down so he could perform properly that night. Mollified, I wore one of my sexiest skin-tight dresses and we left for the clubs, where we hooked up with some friends we'd made during the week. I danced with Gavin, then with a few of the girls and then with a couple of guys. Then I saw Rob heading towards me through the crowds.

He looked even better than earlier, and I wanted to make Gavin jealous to get him back for spending the afternoon boozing. Dancing with Rob was fun as he was a total extrovert like myself. We had a wild time and when I noticed Gavin weaving unsteadily over to the bar I was well pissed off. When Rob and I slow-danced I let him feel me up, and

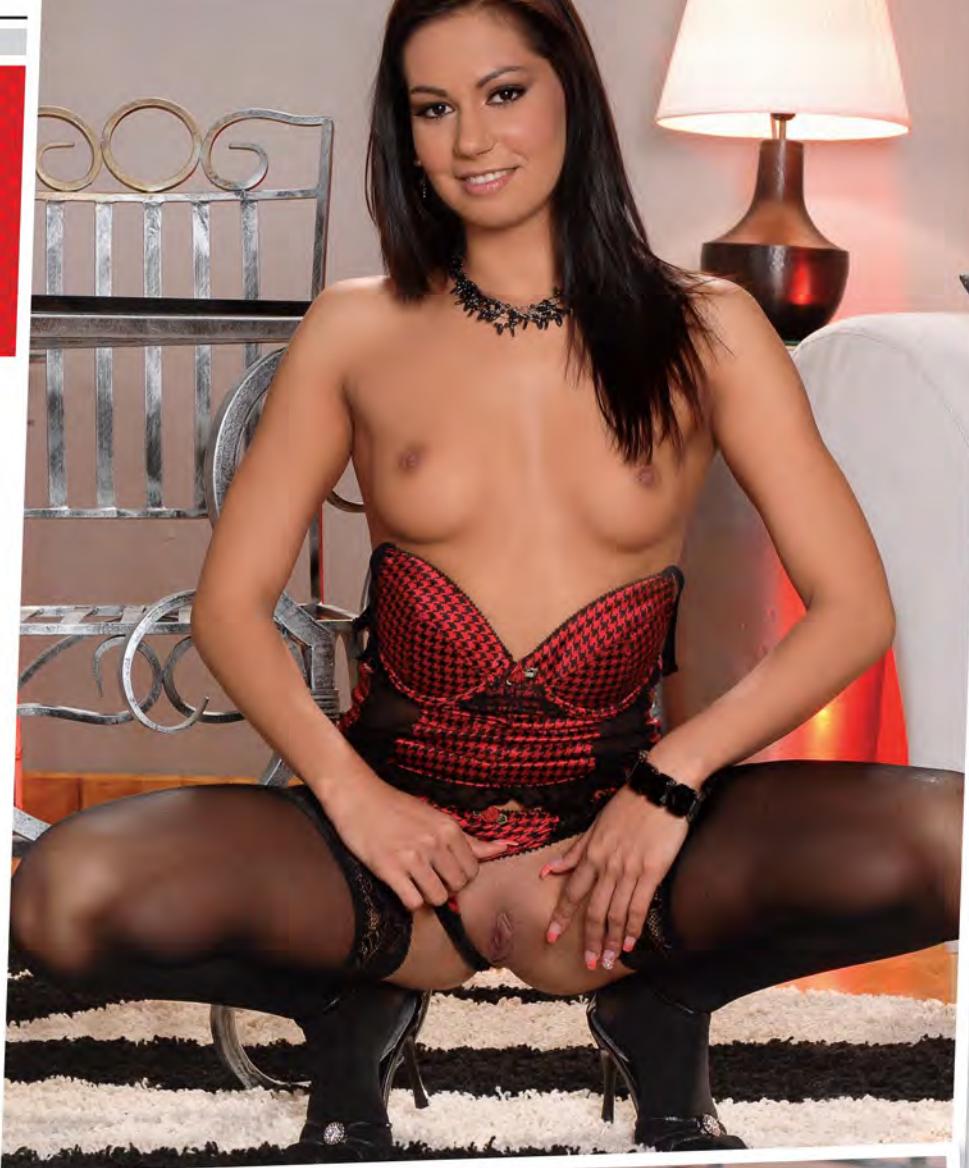

**“I enjoyed toying with his massive member, tonguing it and then sucking it.”**

when I reciprocated and gave his meat a bit of a squeeze I was delighted to find his cock was massive.

With a feeling of regret I finally excused myself and went to find Gavin... only to discover he was passed out on a bench. I tried to wake him but he was totally out of it, so I took his wallet for safety and returned to look for Rob. I had been looking forward to some shagging and if Gavin was not up to satisfying me then Rob would more than make up for it.

Rob was delighted to see me again and we walked across the road away from the clubs and bars and onto the beach. It was a bright enough night that we could see where we were going, and as soon as we were far away enough from the street lights we began kissing and feeling one another up.

I could barely wait to get at his massive cock and once I had it free from his pants I was not disappointed. It was a fistful – long, hard and topped with a thick juicy helmet. The sand was warm and soft and I dropped to my knees and sucked it between my lips. I enjoyed toying with his massive member, tonguing it and then sucking it deep. This of course got Rob really excited and he began fucking my mouth harder until I was afraid he would

**“His big cock stretched me so much that it was like my first time again.”**

shoot before I'd had my satisfaction.

I backed off and rolled, pulling him down on the sand beside me. He had his trousers and boxers off quick-style and we got right down to business with me almost tearing my dress off and allowing my bra-less tits to swing free.

He rolled me onto my back, and, straddling me, grabbed my tits and squeezed them together, licking and sucking at my nipples. I was fucking mad to feel his cock inside me so I squiggled around, bucking, until he was in position. I thought briefly of Gavin and smiled as Rob pulled my legs wide and entered me, almost making me come as he plunged his thick cock-head inside my pussy.

My nails raked his back as Rob fucked me hard, bringing me close to orgasm quickly as his long rod penetrated me deeper than any dick I'd had before. It hurt a little at first because he went at me so fast but I enjoyed the sheer animalistic nature of this fucking. His big cock stretched me so much that it was like my first time all over again.

I squealed with delight wriggling under him as he ploughed in and out of my hot wet box.

We could hear the music and laughter in the distance and when I remembered Gavin passed out at the club my pussy squeezed Rob's whopper harder and harder, attempting to force him to ejaculate. As my nails dug deeper I sensed him stiffen and his cock felt suddenly bigger inside me. Then with two really hard shunts he basted my pussy with his spunk, making me quiver as my pussy wildly spasmed and I came repeatedly, eventually flopping back on the sand and savouring the greatest shag of my life.

Gavin, of course, was none the wiser, and I managed to hook up with Rob several more times before we finally flew home. What a holiday!

## Fantastic Beasts and Where to Find Them

DVD £9.99, Blu-ray £14.99

Potterheads got themselves all in a tizz, as the wizarding world returned to our screens at the end of last year in a blaze of 1920s New York glory. The long awaited prequel if you will, is taken from J K Rowling's Hogwarts textbook, *Fantastic Beasts and Where to Find Them*, written by our chief protagonist Newt Scamander (Eddy Redmayne), and directed by David Yates. *Fantastic Beasts* is gothic, rich and incredibly detailed to the true Potter standard, with breathtaking digital effects and paramount set design by Stuart Craig and James Hambridge. The hapless Attenbourghouse Newt arrives in New York and is immediately in hot water with Magical Congress over the wizarding zoo contained in his suitcase and the escapees from it. However, there is dark magic afoot, as the city of New York is haunted by some form of demonic poltergeist, which is quite literally tearing the bustling city apart.

Redmayne perfectly characterises Scamander, with minimal eye contact and just the occasional shy glance at the camera. Katherine Waterston finally gives us a strong female lead as Tina Goldstein, who rolls her sleeves up with the men, while still retaining the romance. It's funny and engaging, with explorations of political cycles, and ranks as escapism at its very best. We suggest you dive head first into this unpretentious and vivacious world of Rowling's.

## Doctor Strange

DVD £9.99, Blu-ray £14.99

This is a rare thing indeed from Marvel that exudes class, coherence and sharp wit. It's a bizarre yet beautiful thing in the world of comic books and befitting of its main character Dr Stephen Strange (Benedict Cumberbatch) a neurosurgeon whose career ceases after a devastating car accident. He is our flawed hero whose willing to change as his eyes are opened to multiple realities. Christopher Nolan's *Inception* has to be referenced here with its mind-bending antics, which are handsomely directed by Scott Derrickson to trippy heights. Derrickson also co-wrote the script, which is refreshing for it's clear and acute wit. Stupendous turns by Cumberbatch and Tilda Swinton as his mentor, in one of the best Marvel films to grace the screen.

## Free State of Jones

DVD £9.99, Blu-ray £12.99

When one Confederate deserter rises up to lead an ideal into being he becomes a folk hero, who brings slaves, women and men together in order to fight a common cause. In this case, it's the government who favour the privileged over the poor, sounds familiar. Mathew McConaughey plays Newton Knight, the real life outlaw who fought for the separation of Jones County from Mississippi in order to create a free state. Fiercely violent and well shot, director Gary Ross has confidently taken this story and given another perspective on it. McConaughey looks and acts convincingly savaged by war, with his emancipated face that seems permanently agonised. It's a bold and brave vision Ross presents us, but it can be a little slow at times.

## eMicro One

[www.micro-scooters.co.uk](http://www.micro-scooters.co.uk)

You've probably already had a close shave with one of these and recoiled in amazement when you realised it wasn't a child steering, but a fully-grown adult, most probably wearing a suit. There's been a bit of an outbreak of these in London as they've rocketed up in commuter favour, for their speed and compact capabilities. The eMicro One has a small 500 Watt electric motor on board that in conjunction with the 2200 mAh battery can boasts speeds of up to 15mph and with the grey area of pavement riding it's safer than cycling. It weighs in at 7.5kg and can be fully recharged from flat in an hour, with a distance of between 6 and 8 miles per charge. But most importantly of all, it's rather stylish, with its matt black finish and electric blue touches, so for millennials and Generation X's, it will hit the cool spot.

## D-Link DIR-879

[www.feneticwellbeing.com](http://www.feneticwellbeing.com)

If you thought this was a new model landing craft from the latest Star Wars then think again. With its futuristic design that reminds us somewhat of distressed ladybird, the D-Link DIR-879 AC19000 Exo Dual-Band Wi-fi router, to give it, it's full name, has been topping the lists for range and performance. So what's under the hood of this miniature spaceship so to speak? Well, it's not USB ports for a start, but there are four wired LAN ports, the latest 802.11 ac technology, WPS switches, a WAN port and offers dual-band too. Plus it works well up to a 30ft range, offering 186Mbps on the 2.4GHz band. It's not the fastest but an excellent all round performer.

And in the grounds of the ruined castle, there was the smoking hot Ela, whose natural full tits would be enough to tempt any man off his chivalrous course. ### Synopsis:

"Needing a new challenge, Nacho contracts top madam Yasmin Scott to assign wicked adventures -- he's game to try anything. In a stylish strip club, Nacho shares a public 'girlfriend experience' with stunning Alexa Tomas, as club patrons jack off. Thickly built Soraya Wells fucks a baseball bat; Nacho works her to torrential ejaculations and slurps puddles of girl squirt from the lighted stage floor! In a gay club, leather men watch and masturbate as Nacho fucks cute, tiny Ena Sweet on a sex swing. Latex-clad Silvia Rubi restrains our hero in bondage stocks; he doesn't know whether to love or hate strap-on pegging.

Nacho frees racy Susy Gala from a cage for a cunt-squirting fuck. Madam Yasmin wants to enslave naked, vulnerable Nacho. They share intense lovemaking and bunghole-tonguing rim jobs in 69 position. By the time she squirts girl juice, it's not clear who is a slave to whom."

**Verdict:** Nacho Vidal is on a sexually explorative adventure that knows no bounds as he publicly fucks the natural Alexa Tomas in a strip club, while onlookers take their own thrills from the encounter. Tomas

Nacho encounters all sorts and teeters on the edge in a gay club, where he manages to fuck the only woman. But this is a game of many levels with some female on male strap-on play. Silvia takes her bound victim and works herself inside our studs asshole, as he enjoys the ramifications of her pounding and rimming. Dark and playful, this Spanish tale will intrigue.

**P**arry perfect might be a new entry into the Oxford dictionary very soon, as Becky shows us the artful ways in which a slight smile can lead to an abundance of excitement, in young and older men alike, as our youthful blushing photographic assistant found out, (Ed says: Don't forget yourself in that sentence.) and myself for that matter. But less about me and more about Miss Parry who is notable for more than her stocking lines, as she poses all our favourite positions for the camera. We just can't get enough!

## BREKKIE BANG!

I had to attend a breakfast seminar at a nearby hotel last month, and although the subject wasn't really that relevant to me, I felt it was important I showed my face. I arrived at about 8.30 – it was already a sunny morning and the hotel was very nice, with lots of grounds and well-maintained gardens. I caught up with a few people I knew, had a very good breakfast and then the various talks started.

As I expected, about 20 minutes in my attention started to wander. The seminar was being held in an 'Orangery' which was basically a large conservatory. On my left I had a good view of the gardens, which was nice – but much more enjoyable was the view to my right.

I carefully shifted my chair a little so I could get a better view, because on the right was the hotel gym. It was in a similar building but the windows were frosted over to about waist height. From there upwards I had a view of six women all on the treadmills which faced out of the gym overlooking the gardens and the room I was sitting in. As I could only see from the waist up I had a great view of six pairs of tits bouncing up and down – and of course the tits' owners' faces.

I was trying to be discreet but I don't think I did a very good job especially as there were various shaped and sized tits bouncing away but I was, at least, enjoying the seminar now although I had no idea what they were talking about.

I was thinking about leaving when I saw one of the prettiest girls I have seen in a long time step onto a treadmill as another lady moved away. She had blonde hair in a pony tail, little if any make-up on, piercing blue eyes, a small mouth but with very red lips and the most tempting pert tits. She was wearing a tight white T-shirt and looked very petite. She built to a steady run and I sat transfixed, watching her lovely tits bounce slightly. She occupied my thoughts until the seminar ended, but when I looked back after the applause she was gone. I was, of course, disappointed but she had certainly made my day. I slipped out and found a gents before the drive back to my office.

As I came out of the gents I walked back along a corridor and literally collided with the treadmill honey. I caught her as she fell back and for a second or two I held her arms just staring at her.

"You are doing it again!" she said with a slight accent that I couldn't place.

"Sorry what's that?" I replied, having no idea what she was talking about.

"You're staring at me."

The penny dropped. "Oh, you mean you knew I was watching you in the gym?"

"Yes!" she replied. I thought I was going to get accused of stalking now but before I could say anything she went on; "I liked it, you had a look of desire about you."

My mind started racing. 'What does she mean by that?' I thought to myself.

Again she spoke. "My name is Anna. Want to join me for breakfast?"

"Yes!" I eagerly replied, not of course letting on that I had eaten, but I was relieved when she said it's only juice and fruit and then staggered when she said, "It's in my room. Come on." She turned and I followed. She was indeed petite, no more than 5ft 3in and she had a very cute tit bum with very shapely legs.

My cock was already semi-hard as she led me up a staircase to her room.

"Come in," she said, her accent making me stiffen more.

"Are you Swedish?" I asked, having had a bit of time to think about her accent.

"Yes from Stockholm."

It turned out she was in the UK for business that had finished the day before and she had a free day before she had to return home.

She showed me the breakfast that had already been delivered by room service. "Help yourself," she said. "I am just going to have a quick shower." With that she lifted her top, taking it off and throwing it on the bed. I was shocked but very happy; she was

probably a B cup and her tits were gorgeous, full and rounded and very pert with lovely little nipples that were pointing at me. “You are staring again!” she laughed as she went off to the shower.

My cock was very hard now and I couldn’t resist a quick look through the bathroom door. She was already in the shower and although behind a shower screen I could see the outline of her body. She was stunning, firm and fit with pale skin and her hair was now tumbling down her back. I sat on the bed drinking some juice. The shower stopped and I heard her in the bathroom for a few minutes. She came out with just a towel round her waist, her lovely tits on full show.

“Not hungry?” she said. I had to admit I had already eaten, and she looked at me smiling. “So you have eaten but not had a work-out, I have worked out and not eaten. What shall we do next then?”

As she ended her question she let the towel slip to the floor.

The answer was pretty obvious. I took her

“**...my balls were soon slapping against her as I made sure she felt each hard stroke.”**

hand, pulled her to the bed and lay her down on her back. I leant over her and kissed her. Slowly I kissed down her neck, her pert tits, her very stiff little nipples, across her tight tummy and down her bare snatch until I reached her pussy. “Are you sure you’re not hungry?” she laughed.

I was. I licked and kissed her lips, making her gasp and moan. She opened her legs wider and I teased her by kissing up and down the inside of her thighs before returning my mouth to her lovely cunt. She tasted divine and I spent ages licking and kissing her snatch before probing between her lips, feeling her wetness on my face.

Her language was getting more explicit now and her breathing deeper. “Oh fuck make me come!” she shouted. I ran my tongue up her lips to her clit, which was hard and protruding. It only took a few circular licks

and she was orgasming, her chest reddening as she shuddered on the bed.

I had taken off my jacket when I got to the room but was still in trousers and a shirt. Anna gave herself no time to recover and instead sat up on the edge of the bed and reached for my belt and zip. She was soon pulling down my trousers. As my cock sprung at her she wrapped a hand round it.

“So hard...” she said. She was right – it was as big and as hard as I could recall.

She moved back on the bed, turning around before getting in classic doggy position, bum up and head down. She looked so horny and I gave her tight arse a few slaps, making her giggle and yelp.

“Fuck me!” she said breathlessly. “It’s been ages since I have had a good cock.” I struggled to believe that but was not going to argue with her now. I positioned my throbbing dick at her pussy hole and slowly pushed in. She moaned and yelped as my cock pushed in. It was a very tight cunt which just increased the throbbing in my dick. She was soaking wet and it was easy to bang her, her tightness notwithstanding, and my balls were soon slapping against her as I made sure she felt each hard stroke.

I saw her move her hand to her pussy and she began furiously wanking her clit, which just made the whole situation even hornier. I do love a girl who wanks herself and I was having to fully focus on making sure I did not

lose control before she’d come again. It didn’t take long and I increased my banging to as fast and as hard as I could, watching her violently use her fingers till she let out a scream.

I went to pull out but her hand grabbed behind me and her nails dug in my arse. “No, it’s OK – come in me!” she insisted. I couldn’t hold off any longer after that and I let the first shots go, making her purr as the hot spunk shot deep inside her, my ecstasy enhanced by her nails in my arse cheeks and her dirty mouth that was telling me “to fill my cunt so it’s full.”

When I pulled out I could see my spunk run out between her lips. She turned round and lay on the bed, her legs wide and her arms spread. I fell next to her, breathless.

“You haven’t eaten,” I said at last. “Let me buy you lunch.”

“You can,” she replied, “but I also intend to eat now!” With that she leant over me, kissing down my chest making my dick twitch and come back to life. It was semi-hard when she took it in her mouth – and rock hard by the time she started to deep throat me.

It was an amazing blow-job. She

made lots of eye contact with those piercing blue eyes and broke contact a few times to put her fingers in her cunt showing me my spunk that was still dribbling out of her hole, licking it off her fingers and then resuming her blow-job. She spent ages, licking and nibbling every bit of my bell end, shaft and balls until I spunked in her mouth. She did not move and took all my jizz before licking my cock clean. When she finished she said, "I love that cock. Buy me lunch in a pub so we can drink beer and then stay the night." How could I refuse? After a bit of quick thinking I gave the office an excuse about an appointment at short notice resulting from the seminar so I would not be in today. Well it was partly true.

Anna was not only stunningly beautiful with a fit gorgeous body and sexy accent but she also turned out to be great company. We had lunch in a very nice pub not far from the hotel with several beers. We got back to the hotel about four-ish and I ordered some champagne as we used the rooms large sunken bath for a bath together.

We had planned to go out for the evening but by the time we had finished the champagne both of us were slightly drunk – but also very horny. We headed instead back to bed and only interrupted our fucking to order and eat some dinner.

We had more sex in the morning, Anna skipping her morning work-out before I drove her to the airport for her flight home. We have stayed in touch since, and I have an open offer to visit her, which I intend to do within the next few months after I have spent some time in a gym myself. I want to make sure I can keep up with my fit Swedish minx.

Harry, Durham.

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## COCKCORD

I've always been a bit of a thrill-seeker and risk-taker, especially when it comes to sex. Not in the stupid sense – I'm careful where it counts. But boredom's a deal-breaker for me.

I don't really have a type, aside from "exciting". It could be some skinny, weasely bloke I pick up at a gig who bends me over in an alley, or the middle-aged company director who fucks me in the back of a Bentley.

Although I've had a lot of one-night

stands, in recent months I've been seeing a guy called Richard fairly regularly. He's a Brit who works in international finance between here and the USA – mostly in the States, but he's back in the UK every month or so.

I know he's got a fiancée out there – his business. And what I do when he's away is mine. But we've got an unspoken agreement that when he's here, I'm his. Usually I'd run a mile from being the "other woman", but every now and again, it's a fun game to play.

I'd been looking forward to seeing him on his latest UK visit, only to be told it wasn't going to happen – Whatsherface had decided she fancied a trip to London with him this time. I'm no home-wrecker so I wasn't going to stir it up between them, but that didn't stop me borrowing a smart suit off a mate and turning up at his office for a surprise "meeting".

His secretary gave me a look like I'd interrupted them mid blow-job and the man himself nearly shat purple when he saw me, but he took me off to a meeting room, locking the door and jamming the table up against it.

It was a small room and fairly bare, but it's not like we needed any distractions.

"Nice suit," Richard said, a bit awkward. I told him my friend would kill me if I got jizz stains on it, so I took it off and draped it neatly over a chair. Underneath it, I was wearing some of the Sluttiest undies I own – a black bra and thong with transparently sheer fabric over my tits and pussy.

Now I told Rich I wanted him totally naked – I sat back on the expensive polished table, daring him to tell me to watch my high heels – a designer pair he'd bought me – didn't scratch it. Then I idly played with myself through my skimpy panties as I watched him undress.

He was already rock hard and stood there for a bit, just stroking himself over the sight of me. But he'd kept me waiting too long for us to just share a casual wank, so I slid over and reached out, grabbing myself a nice big handful of it.

He's a big boy and this time he was so engorged my fingertips wouldn't touch around the thickest part of his prick. But with two hands, I was able to smooth and tease his meat, rubbing it slow, then speeding up, working all the fluid seeping out of the tip over his shaft.

I wanted to taste him, so I had him stand and sank down to my knees on the thick

carpet. He kept groping for my tits, trying to touch me up through my bra but I wouldn't let him – I wanted him absolutely fucking frantic by the time I was ready to take his cock.

Really, I was ready right then and tormenting myself as much as him. My cunt was so tight and swollen in anticipation, it felt sore. I laid back on the table, allowing him a little feel through my knickers, so he'd know how hot and wet I was for him. Then I pulled them to one side.

He tried to finger me but I brushed his hand away, telling him it'd take more than that to satisfy me. "Next time you'll moan that I don't give you enough fucking foreplay," he said. "Yeah, AND?" I said.

"Maybe I'll just shut up and fuck you," he said, but he wasn't going to let me have it easy – he used his hand to play his cockhead over my pussy, teasing my lips and clit. His balls looked full and swollen and I wondered was my snatch about to get a cum-bath – the sparks were already flying inside it.

He pushed in an inch, and I squealed out loud without thinking. He threatened to gag me with his tie before I screamed the whole building down – bit of an exaggeration! But I told him to get my knickers off and pass them to me. I saw his cock jump as I breathed in the scent of them and said I could stuff them in my mouth to shut myself up.

"You do that," he said, then rammed the entire length of his prick up my soaking snatch in one thrust.

I don't know how satisfied Ms Fiancée normally keeps him, or if, as I suspect, Miss Secretary helps out too. But now he was banging me as if he'd gone the last six months without even a sniff of pussy.

He's a fit bloke but every so often he'd stop, so I could just feel him inside me – his cock throbbing and twitching from the root. Then he went back to it, slower at first but building up steam, until he was leant over me, humping me against the smooth, hard tabletop. I got so caught up in it, it almost came as a shock when he groaned then went stiff as a board before pumping a huge load into me.

Again, I sat on the table, tits out and knickerless, and rubbed my clit – my turn to cum now. It's like I was daring him to say something as a big gush of spunk and cunt cream pooled on the shiny wood.

**“...he rammed the entire length of his prick up my soaking snatch in one thrust.”**

As we recovered, we had a bit of a snog and a cuddle, but he soon had a couple of fingers up me as I reached for his prick. And it didn't take much fiddling to get us both ready to go again.

“Turn over,” he whispered, his breath warm and wet in my ear. Now he was playing with my arsehole and I felt a bit nervous. We've done loads of anal, but usually at his flat, in his bed, when we can take our time. I hadn't thought to bring lube, so he began to lick my pussy, lapping my cream and loads of his spit around my arsehole, using a couple of fingertips to work it inside as he warmed me up.

He wedged his prick along my crack,

## “My arsehole was clenched like a fist around Richard’s prick...”

massaging my cheeks around it, telling me to relax. Then I felt his tip touch my arsehole. I tensed a bit and he said to clench more, to push back against him... then relax. I don't think fucking him has ever felt so amazing. One moment I had this fat rod pushing for an opening, the next my arse was pretty much sucking it in, taking him so deep that his balls were touching my labia, even parts of my mound.

He fucked me slow, grinding inside me without thrusting, loosening me up just a touch. Then he went faster, pulling out a little further each time until he was pumping my arsehole, giving it to me almost as fast and hard as a fucking in the pussy, and every bit as deep.

I tried to reach under my body to rub my clit, but he had me splayed and squashed against the table. Which didn't matter when I felt his hand sneak between my body and the wood, circling against my clit.

I started to cum almost immediately, stuffing my damp thong in my mouth to shut off my moans. My arsehole was clenched like a fist around Richard's prick, but he was still pumping away, fingers still teasing me to shudder after shudder.

Before long, I reached the point where I couldn't cum any more. I pulled his hand away and told him to finish himself off. Maybe he didn't realise I meant inside my arse, or maybe he was just in the mood to see a cum shot, but he pulled out and jacked his prick, spunk spurting out to shower my bumcheeks.

He mopped me up as best he could with the knickers – I dropped my mate's suit off for cleaning just in case it took a few stray hits! – then I left, warning him that if he tried to blow out seeing me, I wouldn't take it quietly.

I now have this evil idea of surprising him in his office in the States – just going for a holiday and making him an “excursion”. It's probably a bit too creepy-stalker for me to do it for real, but, when I'm lying in bed having a good frig, I often fantasise about how he'd look – and how hard his cock might get if I did dare to do it!

**JASMINE** ♣

**W**hat a gem Jasmine Black is with her exotic looks steaming up the lens. We caught up with the naughty class, once she had managed to tear herself away from the pool.

"I just can't help myself; I love swimming about. If it were possible to be a mermaid, I think I'd swap my legs for a tail any day."

So you'd be a sea dwelling Ariel over a plodding land being?

"Yes, though I don't think I'd be quite as elegant as Daryl Hannah in *Splash*, I loved that film growing up."

Well, mermaid or not Jasmine we've been creating quite a splash over you.

# DOWN THE WIRE

## Look Sharp!

Well, this doesn't quite look like a window display at Harvey Nic's, but I'm sure it could be adapted. Police in Huntsville arrested two men after a video went viral of 23-year-old Terry Brown and 49-year-old Kenneth White, appearing in a mannequin challenge styled shootout. The extremely convincing video racked up 173,000 YouTube views and after the police had watched it, investigators served a search warrant. Their hunch was

First to move  
gets a wet willy!

right, after conducting a thorough search of the property, the police reported that they had found, two handguns, a rifle, a shotgun and packaged marijuana, that appeared to be ready for sale. Subsequently Brown and White both face charges of drug possession and possession of firearms.

## Direct line to heaven!

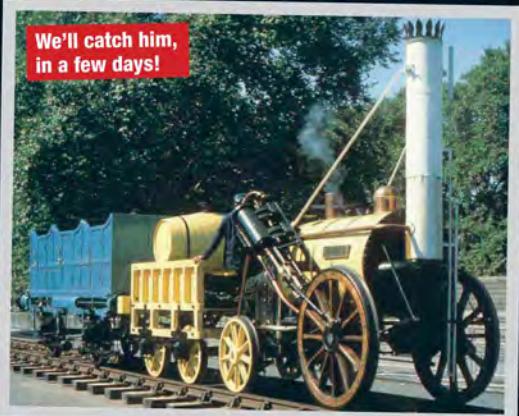

It looks like you can't even trust in Jesus anymore. John Michael Haskew was arrested for allegedly setting up fraudulent wire transfers from a well-known financial institution, totalling over \$7 billion. Haskew made more

than 70 transactions, using a routing number that didn't belong to him. Investigators report that Haskew had told them his scheme would enable him to "obtain the wealth that Jesus Christ created for him and that belonged to him."

The apparently self-taught fraudster believed Jesus told him to do it. Haskew could face up to five years in gaol for his crime. Unfortunately, Jesus wasn't available for comment at this time, but we will try to contact him again.

## Locomotion!

Everybody loves a free ride, but one Richard Ruddy appears to love them more than most. The 25-year-old chef started a 'catch me if you can' style online campaign against South West Trains, in which he dodged multiple fares for a year and openly ridiculed and bragged about his practice online. Ruddy also photographed staff and without consent and published the pictures on Twitter. One tweet read "2 minutes from getting a free ride @SW\_Trains its ok tho I got on at branksome and paid from pokesdowne , who's the winner there ? WINNER." The fare dodger has been hit with over a £1250 fine and has been ordered to complete 120 hours of unpaid work.
